In March we heard Si Tannenberg tell us about our troops in the Middle East. What supplies they are not getting and how we can help. We heard about ISIS and their infiltration into our country to do the worst

to us. It was a provocative talk and informative. We can never do enough for our men and women who are trying to protect us from evil.

April is a month of new life, growth, sunshine, puffy clouds scudding across the blue sky and hopefully rain to nourish the earth. It is a time to get out and bring new members into our club. We are having our first Wine & Cheese with Hors d'oeuvres Membership Drive. We want current members to bring friends, relatives, neighbors acquaintances, to this fun event and see what a great group of women belong to the Estero Bay Republican Women Federated.

All about Box Tops

Box Tops for Education® is one of the nation's largest school earnings loyalty programs and has been helping schools succeed since 1996. With over 250 participating products, it's an easy way for schools to earn cash for the things they need. Over 90,000 K-8 schools participate nationwide Each Box Tops coupon is worth 10¢ and they add up fast! Schools can use their Box Tops cash to buy whatever they need most, from books to field trips to playgrounds. So far, America's schools have earned over \$600 million from Box Tops...and counting.

Turn these in to Carolyn Atkinson frequently, they have an expiration date.

At our March meeting we got an update from Si Tenenberg, regarding Helping Soldiers in the Desert with care packages.

At the luncheon many of you took packages to mail this allows Si to use his postage \$\$\$\$ for more packages.

Reminder to all: You can always send a check to further support the program. Checks can be made to FBCSLO with notation "for the troops" for full 501c3 tax deduction credit and mail to 5738 Salisbury, San Luis Obispo, CA 93401

For further info see web site
www.troopcarepacks.org

You can even help when shopping. The Dollar Tree Stores support the program. When they ask if you want to help the troops please respond with a "yes".

Don't forget we are continuing to pass the hat for the Honor Flight. We have sent one veteran and hope to send a second by June. A worthwhile project for all our members to participate in.

NEVER FORGET OUR VETERANS.

*War is an ugly thing, but not the ugliest of things. The decayed and degraded state of moral and patriotic feeling which thinks that nothing is worth war is much worse. The person who has nothing for which he is willing to fight, nothing which is more important than his own personal safety, is a miserable creature and has no chance of being free unless made and kept so by the exertions of better men than himself. — **John Stuart Mill***

Linda Trahey and Mary Reents attended the Central Division 2015 Spring Conference, held in Fresno, over the weekend of March 20-21st. The conference theme was *Women on the Frontline*, “to highlight Republican women who have been on the front lines in military and civilian life and to inspire us to continue the duty of Republican Women Federated~~serving as citizen warriors!”

Many events and workshops were offered intended to enlighten, energize, and empower us, as members of California Republican Women Federated, to make a real difference in the upcoming 2016 National elections and beyond.

Many new friendships were formed as attendees were offered workshops teaching Social Media, Fundraising, Voter Registration, RFW IRS filing requirements, and per capita reporting. Even the Bylaws and Protocol session was very informative! The banquet dinner was a spectacular affair, decked out in silver, black, and crystal!

Attendees were energized by a speech by California State Assembly Republican Leader, Kristen Olsen, who has been a leader in introducing reforms to enhance government accountability and transparency and is a staunch supporter of veterans and active duty military members. A presentation by Author and Valley Public Radio contributor, Janice Stevens, offered a wonderful program reminding guests of the tremendous gift the Honor Flight Program is with a video presentation that brought tears to many eyes.

The celebrity guests speakers’ Panel Discussion, featured Ann-Marie Murrell, Morgan Brittany, and Dr. Gina Loudon of “The Politichicks”, stars of radio and TV (including BizTV and Fox News), movies, political blogs, and other media. These dynamic women have recently written a wonderful new book entitled “What Women Really Want”, which is slated to be a real best seller! They are dedicated to motivating women (especially Republican women) to embrace a “new brand of feminism”, rejecting the “war on women” and begin fighting the “War For Women!”

The highlight of the weekend was the Friday night extravaganza, held at a beautifully decorated private airplane hangar at the Fresno airport. It was a salute and “tribute to women veterans with special honor given to our WWII women veterans”. A number of local women veterans (most of them age 90 and older!) were driven to the wonderfully decorated venue by limousines and were cheered, honored, and “pampered” all evening by everyone in attendance. It was a “magical” evening for these ladies who bravely and self-

lessly served our nation in wartime.

The Opportunity Drawing featured a 1st Prize of a Smith & Wesson Rifle; 2nd Prize of a Sig Sauer P238 pistol (won by one of our Paso Robles RWF members!); 3rd Prize, a Brighton Purse (won by a man, of course!) and 4th Prize, a string of pearls.

Right Mary Reents, Left Linda Trahey

Former Veteran with husband of 72 years.

The table is set there to recall and pay tribute to all our military heroes who could not attend the event that night because they are defending our country right now, or who have fallen in the line of duty
