Luncheon: Thurs. June 21, 2018  
The Inn at Morro Bay  
Reservations due by 6/14/18

---

Speaker: Justin Smith  
President, Paso Robles High  
School Conservative Club

We are fortunate to have as our June Luncheon Speaker Justin Smith, who is the President and Founder of the Paso Robles High School Conservative Club. He was born and raised on the Central Coast and is in 11<sup>th</sup> Grade. Justin is heavily involved with 4H and FFA, raising and showing sheep. He also takes part in public speaking competitions. Let's give Justin a warm welcome!

---

Reminder:

The Inn at Morro Bay is requesting a "final count" for our luncheon meetings one week ahead so they can plan the food and seating. Therefore, we are asking that reservations be made no later than the Thursday prior to the meeting, this month June 14<sup>th</sup>. If you try to make a reservation after that date, Gayle will put you on a "cancellation list" and try to accommodate you. If you make a reservation, and subsequently find you are unable to attend, we ask that you call Gayle to cancel as soon as possible. If the reservation is not cancelled, you will be obligated to pay for the lunch, as the Club must pay for the number of lunches ordered. Also, your cancellation will enable a member on the "cancellation list" the opportunity to attend. Thank you for your cooperation.

Interesting Excerpt from "Capitol Alert" dated May 17, 2018:

"Older California residents who move could save thousands of dollars in property taxes under an initiative that has qualified for the statewide November ballot.

The initiative, backed by the California Association of Realtors, would change a key provision of Proposition 13, the state's 40-year-old property tax law that ties a home's assessed value to its sales price and caps the property tax rate at 1 percent of that value.

Under the initiative, people over the age of 55 moving within the state could pay property taxes based on the sales price of the home they are leaving. The new tax structure would be determined by a complicated formula that takes into account the values of the home someone is selling and the home they are buying."

"Capitol Alert" is a feature of "The Sacramento Bee"
