Adopt a Poll
EBRWF has adopted a
poll and will be
manning it June 7th.

Your job is to get out
and vote.

Linda Paine, The Integrity Project.

The Election Integrity Project is a group of citizen volunteers in California seeking to fulfill our responsibility to actively participate in our Republic and ensure the integrity of the process that protects our freedoms and our way of life. We seek to protect government of, by and for the people by maintaining an active role in the part of government that empowers us with our most basic right ~ the right to choose our representatives by vote.

"YOU MADE ME FEEL EXTREMELY IMPORTANT, BEYOND WHAT I CAN EXPRESS IN WORDS."

- LEONARD HEINRICHS, WWII VETERAN, OCTOBER 2013

While currently the club is not collecting for this wonderful program it does not diminish a great program.

For those who would like to keep up with what the Honor Flight is doing, they can call Loretta Borges 238-5066 for a monthly Newsletter, go to meetings on the second Monday of each month at 5:30 at SLO Sheriff's Honor Farm located on Kansas Blvd San Luis Obispo. Another contact number: Bear McGill 610-4012. They always need volunteers for events, and they always need donations for the flights.

Website: <https://www.honorflight.org/>

The club has recently made a donation to the CFRW for the purchase of a track Chair.

Lots of traveling going on this summer. Don't forget to save all those toiletries that you get along the ways in the hotels and motels. Lori has an ongoing collection drive of these toiletry items that she gives to the homeless shelters. What an easy way for you to help out. Bring them to the luncheons she has a bag assigned for the collection.

LUNCHEON WILL BE A TACO BAR

Remember all Politics are Local.

For Morro Bay Citizens here are two very important dates: June 7, 2016 WRFCAC meeting 3:00pm at the Vets Hall regarding Morro Bay Sewer Plant! June 14, 2016 City Council 6:00 pm Vets Hall Morro Bay Sewer Plant If the citizens of Morro Bay want to voice their opinion on where the sewer plant should be, they need to go to these two meetings. The WRFCAC committee does listen to us. They have directed the City council that Tri-W would be the best location. Now we have to let the City Council know how we feel. Either speak up thru e-mail, or by voice at the City Council Meeting June 14th. Sandi Tannler

Start clipping Box Tops for Education. Hundreds of products participate in the program, and you probably already have several in your pantry, freezer and fridge. For every Box Top you clip, your child's school will receive 10 cents. That may not sound like a lot, but it adds up quickly. Each school can receive up to \$20,000 per school year from clipped Box Tops. Imagine what your school could do with \$20,000: New books, playground equipment, more supplies, field trips, classroom parties and more are possible. There are no limitations on the money's use, so your school can spend it as needed. Turn them in at the luncheon.

EBRWF monthly luncheon great fun with interesting speakers.

June 14th. Flag Day

Until the Executive Order of June 24, 1912, neither the order of the stars nor the proportions of the flag was prescribed. Consequently, flags dating before this period sometimes show unusual arrangements of the stars and odd proportions, these features being left to the discretion of the flag maker. In general, however, straight rows of stars and proportions similar to those later adopted officially were used. The principal acts affecting the flag of the United States are the following: Flag Resolution of June 14, 1777 - stated: "Resolved: that the

flag of the United States be made of thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new Constellation."

- Act of January 13, 1794 - provided for 15 stripes and 15 stars after May 1795.
- Act of April 4, 1818 - provided for 13 stripes and one star for each state, to be added to the flag on the 4th of July following the admission of each new state.
- Executive Order of President Taft dated June 24, 1912 - established proportions of the flag and provided for arrangement of the stars in six horizontal rows of eight each, a single point of each star to be upward.
- Executive Order of President Eisenhower dated January 3, 1959 - provided for the arrangement of the stars in seven rows of seven stars each, staggered horizontally and vertically.

Executive Order of President Eisenhower dated August 21, 1959 - provided for the arrangement of the stars in nine rows of stars staggered horizontally and eleven rows of stars staggered vertically.

Much of the social history of the Western world, over the past three decades, has been a history of replacing what worked with what sounded good.
