EBRWF Yard Sale Thank You

By Lorie Noble

Our 2019 Yard Sale fundraiser was a huge success! We raised over \$2300.00 and helped spring-clean many of our own homes and garages. We had sales starting Friday afternoon and all-day Saturday. The weather was great and brought out hordes of shoppers! Word on the street is our sale was one of the biggest with the best selection and prices! Thank you to all our members who donated items. We had an awesome selection including beautiful plants. Thank you's go out to those that donated tables and to Mike Tannler for bringing sandwiches. Here is the list of workers who helped sort, price, set up, sell, and clean up – thank you to each one:

Mary Shea-Haub, Audrey McManus, Anne Bennett, June Grillo, Linda Trahey, Mary Reents, Deb Hollowell, Su Irish, Lola Balestra, Suzy Moyer, Cynthia Wilson, Melinda Kendall, Josie Hyde, Hesper Natale, Lenora Gentry, and Mary Bradley.

Speaker, Greg McGill, Honor Flight Representative

Our May speaker, Greg McGill was born and raised in Templeton, graduating from Templeton High School in 2005. A year later he moved to Bakersfield to attend college, where he played football. While living in Bakersfield, he was hired by Kern County Fire Department, where he still works. While working for Kern Fire, he was asked to go to Washington, D.C. to be a "guardian" for Honor Flight Kern County. This trip changed his life. In 2013 Greg started the process of forming an Honor Flight chapter here on the central coast. Honor Flight Central Coast of CA got its official non-profit status in 2014 and has been transporting WWII and Korean Veterans since then to D.C. to see their memorials at no cost to them.

Speaker Lindi Woods

EBRWF member Lindi Woods will represent the SLO American Legion Auxiliary and speak about National Poppy Day, May 24th this year.

URGENT! Help Rebuild Humboldt GOP

For the 5th time in two years, the Humboldt County Republican Party's office was vandalized recently. Broken windows. Glass shattered throughout the floor. They were told by the authorities these are "random acts of vandalism." Interestingly, the Humboldt County Democrats have NOT had their office vandalized.

Living in California is dangerous if you are a Republican. From Berkeley to Humboldt, conservatives who dare speak their mind are increasingly at risk for their safety. Hundreds, if not thousands of dollars of repairs are needed. The California Republican Party is putting together a fund to help rebuild Humboldt County Republican Party's Headquarters. Donations in any amount may be sent to the California Republican Party, 1001 K Street, 4th Floor, Sacramento, CA 95814 and indicate the donation is for the Humboldt County Republican Party's headquarters repairs. (Information and request from California Republican Party via email to Su Berry)

IMPORTANT: Due to tight security issues, please **DO NOT POST** anything about this event on your Social Media: **NOT ON YOUR WEBSITE, FACEBOOK, TWITTER, NOR ANY OTHER, THANK YOU!**

L to R: Su Berry, Melinda Rice, Betty Scheidt (Speaker) and Lorie Noble

We would like to thank Betty Scheidt for an interesting and informative presentation concerning the history of the California Federated Republican Women. Even though membership has dropped off substantially state-wide, California still has the most members of any state in the country. Betty then answered questions from the membership. Thank you, Melinda Rice, for arranging this great program.
