*Happy
Thanksgiving*

The last two years have flown and now find I am two months away from becoming your past President. It has been an honor and a pleasure to serve as your President. Thank you

for all your encouragement and for sending me to the conferences and conventions so I could be a better President. The CFRW State Convention was so inspirational and I heard some wonderful speakers. Star Parker spoke on Saturday and all I can say is "WOW". She will be speaking at the Central Division Convention Nov. 14th at the luncheon, don't miss her . Honoring the Military Wives was heartwarming and they so appreciated the gift cards, it was a stellar night. Our speaker Sat. evening was US Congresswoman Mimi Walters, 45th District. She is the only Republican Congresswoman from California . We must change that and give her some help. We heard from some very patriotic young people, Paula Prizio , Pres. Orange Cty Fed has been mentoring , they ages are 14 to 22 and give us hope for the future. We also voted for the new State President and her Board. Shirley Mark , Paso Robles, is our new State President, and our very own Lorie Noble is the new State Treasurer woo-hoo. I wish I could have taken all of you to this Convention. To be with so many women who have the same goals and beliefs is an incredible feeling. This State is overflowing with strong, intelligent Republican Women and Lorie and I had the privilege of being with a whole bunch of them. So "Thank You" once again for electing me as your President two years ago. You have allowed me to grow as a Republican Woman and I will be forever in your debt.

If you get inform you can help your friends and family.

Socialism is a philosophy of failure, the creed of ignorance, and the gospel of envy, its inherent virtue is the equal sharing of misery.

Fyi; I WOULD SUGGEST TO GO THIS SITE REGARDING THERE MISSION STATEMENT AND INFORMATION:

Our mission is to aggressively pursue a nationwide agenda to promote business through free enterprise, limited government, individual freedom, and pro-growth policies that are critical to enable our economy to flourish, and to aggressively pursue a nationwide agenda to support the rebuilding of our military so we can effectively implement our National Defense Strategy so that once again our "enemies will fear us and our allies will trust us." This agenda will be pursued through forums, conferences, lobbying and the establishment of a Super PAC and a 527 committee to support national candidates that are leaders in the pursuit of these objectives.
