September Luncheon Speaker

Don Jans, Author of “My Grandchildren’s America”

Don Jans, author of “My Grandchildren’s America”, believes that America is great because of its promises of individual freedom and opportunity. Like most grandparents, he believes his grandchildren will have the ability and desire to excel, if that opportunity is still available. Will the changes promised and happening now, limit these freedoms and opportunities?

THE UNITED STATES WILL BE FUNDAMENTALLY TRANSFORMED

Lenin 1920 (Russia)

Obama 2008

Into what will the United States be Fundamentally Transformed?

Nationally acclaimed speaker and author Don Jans explains:

What is this fundamental transformation? What must be done to make this happen? What are the results? Can it be stopped and reversed? How can it be stopped and reversed?

This should be a very interesting and informative presentation.

Remember that the October Luncheon is scheduled for the 24th, the 4th Thursday (Refer to the calendar in your membership book).

August Speaker

Allison Olson, CFRW Legislative Advocate

As usual, Allison provided a wealth of information concerning bills that are being considered by the legislature or that will appear on the ballot. She encouraged us to become familiar with bills that are pending, and the status of items that will appear on the ballot for voter approval, particularly the bond initiatives, since the taxpayers will be responsible for their payment. Allison also said that the best way to make a difference in the next election is to concentrate on local and district elections and to work hard to help Republicans win.
